Chris - 310-266-8398

Mike – 310-383-4510.

Parking:

We have limited parking permits for coaches and refs. Those who don't have a parking permit can arrange carpooling to the field with a permit holder from the hotel. If you can't carpool, additional parking is available on around the streets as per the map and parking instructions – see map.

Parking is also available:

· along Main Street (west of the Locomotion complex)

Note: Main Street is a high-speed four lane road. Use extreme caution crossing Main Street.

· Along the south side of Placentia Lane (unpaved shoulder), and

· At Reid Park, on Orange Street south of Placentia Lane (paved, approximately 200 spaces)

Allow extra time for traffic and parking

Traffic around the Locomotion fields and parking lots is heaviest throughout Saturday morning and late Sunday morning. If you have games during these times please allow up to an extra 30 minutes to negotiate traffic and find a parking place. Remember, that's up to an extra 30 minutes before the team meets at the field.

Healthy Food:

Be sure the girls eat a hearty and healthy breakfast on Saturday morning and a hearty (and healthy) snack around in the car or at the field (90 mins before the game). We should plan on another hearty and healthy lunch at the field booths between games and then eating more **following** the second game.

As a rule, the coaches ask that **NO REFINED SUGAR** be eaten (or chewed) between games. They've seen too many players come crashing down when the sugar high wears off (usually 1/3 into the second game). You also want to stay away from greasy foods (burgers, pizza, ...) between games.

Proper Rest:

Be sure the girls get a good night's sleep on Friday and Saturday nights. This will be key.

Dress: Don't forget to bring ALL items of the uniform.

MANDATORY:

Shoes, Socks, Shorts, Shirt, Shin guards, Sweatshirt, (S)water, Sunscreen, Scrunchie/hair band, and a SWELL attitude (that's how I get my family to remember.)

HIGHLY RECOMMENDED:

Long sleeve undershirt (Royal Blue or yellow/gold preferred, otherwise dark colors suggested), compression shorts, light gloves, beanie, additional uniform socks, sweatpants, rain jacket, and keeper gloves, if you have any.

RECOMMENDED (from/for the family):

Folding chairs, umbrellas, blanket, rain gear, camera, pop-up shade/rain tent (we will have 1 arranged as mentioned above), bathing suit for the hotel, and a fun-filled spirit.

Sideline Conduct:

Please refrain from coaching from the sideline. That's the coaches job (the tournament rules are very specific about this). Please DO CHEER (and compliment both teams), but let the coaches give the advice and instruction to our girls. And, of course, no matter how hard it may be, DO NOT ADDRESS THE REFEREES—again, that's the coaches job !

This has all the information you could possibly want, much of which has been copied here.
